Church Application for Membership in the CCCC

We hereby apply for membership in the Conservative Congregational Christian Conference.

We are in accord with its statement of faith, policies, and code of ethics for churches.

We will work with the other members of the Conference in accordance with Congregational principles for the advancement of Christianity throughout the world.

When we experience a pastoral change we will seek the help of the CCCC in our pastoral search.

When experiencing significant church conflict we will ask the CCCC for prayerful assistance.

We will endeavor to assume a fair share of the Conference financial responsibilities.

We agree to receive a representative of the CCCC to meet with our congregation and/or official board, with the understanding that the representative will send a recommendation to the Credentials.
