## CCCC CONSTITUTION
- Constitution & By-Laws ...................................................................... 99
The year was 2002; the location was Lansing, Michigan. I was sent by Wiltsie Community Church to the Annual CCCC Meeting. I had applied for credentialing and wanted to support the organization Wiltsie Community Church supported. I must admit, I went as a skeptic. How could three hundred plus churches get along when all of those said churches were autonomous. I watched in curiosity as an issue came to the floor during a business meeting. People were taking up sides passionately as the issue was discussed. I left that meeting thinking “Yep that is what I thought… another group of churches saying they are different, yet acting like so many others churches and church organizations.”

Treating people who hold opposing views with love is important to me. It is likewise equally important to me that believers be reconciled. Imagine my surprise when I witnessed both of those elements. The Conference President was about to invite those attending the worship service to share communion. Yet before he did he offered an apology to the body. He had every right to leave the issue rest. Roberts Rules of Order and the Conference By-Laws were followed to a “T.” According to his apology however God’s principles had not been lived out in the same fashion. I couldn’t believe my ears; I was listening to the Gospel of Reconciliation lived out in front of me. Not only did our president believe these things he was living them out in great humility.

In my skeptical approach to the Annual Meeting I watched as brothers and sisters were reconciled. Was this a show or were delegates and attendees humbling themselves and genuinely being reconciled? Everything I witnessed seemed genuine. Therefore I genuinely wanted to belong to and get involved with this body of believers.

I have enjoyed my years with the CCCC’s. I have seen firsthand God refining this conference and share with her specific visions. As the history of the CCCC was shared during Guiding Coalition meetings it was obvious how God has been shaping this Conference from the beginning. It became apparent that His plans for these days were etched into the fiber of this conference many years ago.

It is my strong desire to see Christ build His Church. Not in ways that impress man but in ways that glorify God through our obedience. We are positioned in such a place and at such a time as to see Kingdom advancement. Not due to our efforts and wisdom but with hearts pressed to Christ’s. Seeing His passion and loving what He loves. Understanding what God sees in others and viewing them as He views them. Developing others as He commands us to develop them all the while being developed.

I count it a privilege to serve our Lord and Savior as I serve the Board who in turn serves you. May our service be out of the keen understanding of His commands for the CCCC’s and with direct obedience to these commands.

Todd Venman, Conference President
We Believe...

- We believe the Bible, consisting of the Old and New Testaments, to be the only inspired, inerrant, infallible, authoritative Word of God written.

- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.

- We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

- We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

- We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

- We believe in the spiritual unity of all believers in Christ.
STATEMENT
To include as brothers and sisters those with greatly diverse convictions in certain theological areas is not a weakness but a strength and in harmony with Biblical truths. The architects of the Congregational Way labored for the freedom to be ruled by God. This means that Jesus Christ alone is Head of the Church and Lord of the conscience. He directs His Church through Scripture, speaking in this manner to officers and individual members.

This freedom requires an environment of unity and liberty, cultivated in the context of honestly differing theological viewpoints. We must seek continually to maintain a true balance. We recognize that as Congregational Christians we do not have to agree on everything to achieve Biblical respect and spiritual health. In the spirit of Acts 15, we seek to promote maximum freedom for the rule of God in our churches. This is the merit of the Congregational conscience.

We do not claim that the theological breadth of our Conference today is a precise extension of all the doctrines of the Savoy Declaration of 1658. We do consider it significant that Browne’s “Statement of Congregational Principles” antedates Savoy by 76 years and that the latter was itself a modification of the Westminster Confession including a more flexible view of the role of creeds. According to these historic Congregational principles, each church is complete in itself and independent from every other. Thus, there is no appeal from the decisions of the local church.

Consequently, we believe that the Biblical fellowship offered by us today meets a need for fellowship among congregationally governed churches and is the outgrowth of the Congregational principles of 300 years ago. If those principles are seen as Biblical, then our current relationships deserve the name Congregational, for they appeal to the same ecclesiology. We offer real freedom at a time when it is being lost almost everywhere else.

There is freedom in the CCCC today to believe and practice the strictest Reformed theology of our early fathers, as well as other essentially Christian theology which differs in certain ways from the Reformation perspective. Should either be denied in a forced unity, contrary to the ecclesiology of the original founders, we would no longer be fully Congregational.

CONCLUSION
Today we are faced with lawlessness and legalism not only in our society but in many Christian churches. To maintain both freedom and unity is difficult, but worthwhile. The task of being a true Congregationalist was never easy but always a source of blessing.
THE CCCC WAY OF LIFE

Our Passion: The Irreducible Core

We obey Jesus’ commands to love God, love others, and make disciples.

Our Pathway: The Seven Guiding Values

1. A Culture of Believing Prayer & Intercession
2. Healthy Pastors
3. Healthy Disciple-Making Churches
4. Healthy Church Multiplication
5. A Community that lives out a Shared Life and Shared Mission
6. A Culture of Peacemaking & Reconciliation
7. A Membership Reflective of the Harvest Field’s Diversity

(For the Biblical Basis for The Seven Guiding Values go to www.ccccusa.com and click on the Seven Guiding Values under “Discover the CCCC” on the front page.)

Our Priorities: Church Development, Church Multiplication, Conference Care

Church Development
We strengthen existing churches and help them do effective ministry for God’s Kingdom by living out The CCCC Way of Life including The Irreducible Core and our Seven Guiding Values.

Church Multiplication
We are working to launch a church multiplication movement to start new, healthy, disciple-making congregations across the nation. We provide assessment, training, resources, and ongoing coaching to church planting pastors and their growing congregations.

Conference Care
We provide preventative care by assessing and guiding those looking to enter pastoral ministry as well as churches looking to affiliate with the CCCC. We provide transitional care to pastors and churches going through times of change. We provide restorative care to churches and pastors going through periods of conflict or other difficulties.

CONSTITUTION AND BY-LAWS
OF THE
CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE
(Revised 2015)

PREAMBLE
In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and believing that, to
the glory of God, the task of the church of Jesus Christ is three-fold, i.e., the worship of God, the edification
of the saints, and the evangelization of the world; and believing further that there is a definite need among
congregationally governed churches of historic Biblical persuasion for an association to assist them in the
performance of said task: We therefore as autonomous churches declaring our unqualified belief in the
entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together
to form such an association.

ARTICLES

Article I - Name
The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN
CONFERENCE, hereinafter called the Conference.

Article II - Purpose
1. To promote the worship of God in our churches.
2. To deepen and extend the fellowship of our churches.
3. To encourage a steadfast, Biblical witness by our churches.
4. To facilitate cooperation and counsel among our churches with regard to evangelism, edification,
   Christian education, stewardship, missions, church extension, Christian action, women’s and men’s
   fellowships, youth activities, the pastoral ministry, and other related concerns.
5. To preserve and promote the Scriptural principles of the autonomy of the local church and the
   freedom of the believer in Christ.

Article III - Statement of Faith
1. We believe the Bible consisting of the Old and New Testament, to be the only inspired, inerrant,
   infallible, authoritative Word of God written.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His
   vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension
   to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

7. We believe in the spiritual unity of all believers in Christ.

Article IV - Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.

2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.

3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.

4. We believe that each local church is ultimately answerable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.

5. We believe that it is proper and beneficial for each local church to seek fellowship and counsel of other such local churches.

Article V - Membership

1. Membership in this Conference shall be attained by the voluntary association of churches, ministers, Consecrated Laborers (Commissioned Christian Workers, Students under Conference Care, Lay Preachers) or individual lay members who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III, IV) of this Constitution, the Code of Ethics for Ministers and Churches, and with the general principles of this Conference as set forth in the Constitution and By-Laws. Conference membership, whether of church, minister, Consecrated Laborer or lay members, may be subject to review by the ensuing Annual Meeting of the Conference. Church membership shall be accorded on the basis of the standards of the Conference, as set forth in the By-Laws of this Constitution. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the By-Laws of this constitution. Consecrated Laborers shall be accorded standing on the basis of the respective stands of the Conference, as set forth in the By-Laws of this Constitution. Churches are not necessarily barred from membership because of other affiliations so long as they adhere to the Statement of Faith and the Statement of Polity and the workings of the Conference. Individual Lay Membership may be held only by members of congregationally governed churches which are not members of
in this Conference. In the event that a non-member church joins this Conference, the individual lay membership of any of its members ceases.

2. A church, minister, Consecrated Laborer, or individual lay member may withdraw from membership in this Conference at any time by its or his own action, and will be removed from the membership when written notice of such action is given to the Chairman of the Credentials Committee.

3. A church, minister, Consecrated Laborer, or individual lay member may be dismissed from membership in this Conference for continued inactivity, at the decision of the Credentials Committee and the ratification of the Conference.

4. In the event that there is received a written statement that a member church, minister, Consecrated Laborer, or individual lay member has departed from the standards of faith and practice set forth in this Constitution and By-laws or in the Code of Ethics for Ministers and Churches, the Credentials Committee shall make a careful investigation of the matter. If the charge appears to the Committee to be justified and is received in accordance with I Timothy 5:19 from at least two or three witnesses, the Committee shall report the matter to the Conference for appropriate action. The right to appeal to the Conference by the party accused is presupposed.

Article VI - Associated Relationships

1. The Conservative Congregational Christian Conference encourages the forming of local fellowships, conferences or associations of churches and ministers who are in accordance with Article V, Section 1 of the Constitution and who are in sympathy with the Statements of Faith and Polity of this Conference.

2. Fellowships, conferences, or associations, whether state or area, may be recognized in this associated relationship upon request to and approval by the Credentials Committee. Such action will be subject to review by the ensuing Annual Meeting of the Conference.

3. Recognition by the Conference does not bestow membership in this Conference upon churches or ministers of the respective groups. Churches, ministers, or individual lay members may attain voluntary membership according to Article V - Membership, of this Constitution.

4. Fellowships, conferences or associations, recognized by this Conference, will be represented in the Conference business meetings by the delegates of their member churches which are also members of this Conference.
Article VII - Meetings

1. ANNUAL MEETING. There shall be an Annual Meeting of the Conference at such time and place as determined by the Executive Committee, unless the same are specifically designated by the Annual Meeting of the previous year.

2. SPECIAL MEETINGS. These may be called at the direction of the Executive Committee, or upon written request of members representing one-fifth of the total membership of the Conference.

3. REPRESENTATION. Churches becoming members of the Conference shall be entitled to representation at various meetings of the Conference by two lay delegates who shall be members of that local church for the first 100 members or fraction thereof and thereafter one delegate who is a member of that local church for each 500 members or fraction thereof. Voting privileges at Conference meetings shall also be extended to ministerial members, to individual lay members of the Conference, with the understanding that not more than one lay member from any non-member church shall be entitled to vote, and to all Conference Officers and members of the Board of Directors.

4. PROCEDURE. The guide for parliamentary procedure in all meetings shall be Robert’s Rules of Order, Revised, in all cases not covered by special rules of this Constitution and By-laws.

Article VIII - Board of Directors

1. The business of the Conference shall be conducted and the property of the Conference shall be managed by a Board of Directors, numbering not fewer than twelve nor more than thirty members, and shall include the elected officers of the Conference. The initial Board having been elected in three equal groups, for one year, for two years, and three years, respectively, one-third of the membership of the Board of Directors (exclusively of the Conference Officers named in Article VIII who are ex-officio members of the Board with full voting rights) shall be elected annually for a term of three years in future Annual Meetings of the Conference. A sitting board member may be nominated for and elected to a second consecutive term. Upon serving a second consecutive term, said member shall have a one-year lapse before eligibility for further service on the Board is renewed. At no point shall the board be composed of a majority of members elected to serve a second consecutive term.

2. The Board of Directors shall establish an Executive Committee, to consist of the officers of the Conference. The Board may delegate to the Executive Committee such of its powers and authority as may be deemed necessary for the proper functioning of the Conference.

3. The Board of Directors shall fill any vacancy arising among the officers of the Conference, the Committees or in the Board itself, until the next Annual Meeting of the Conference at which time the Conference shall fill the vacancy for the unexpired term.
4. The Board of Directors shall appoint annually an Endorsing Agent for Military Chaplains who shall represent the Conference on the Chaplaincy Commission of the National Association of Evangelicals. All military endorsements are subject to review of the Board of Directors.

5. The Board of Directors shall establish Foresee Publications as the Christian Education supply and publication arm of the Conference; such operation to be under the direction of the Board of Directors.

6. Any action of the Board of Directors may be subject to review and ratification by the Conference at its Annual Meeting or any special meeting.

Article IX - Officers

1. The elected officers of this Conference shall be:
   A. A President, a Vice-President, a Recording Secretary, a Conference Minister, a Treasurer and a Controller.
   B. The term of office for each of the above officers shall be three years, and for the duration of their tenure they shall be ex-officio members of the Conference Board of Directors with full voting rights.
   C. The terms of the President and the Vice-President shall expire simultaneously; the following year the terms of the Conference Minister and the Controller shall expire; and the third year the terms of the Recording Secretary and the Treasurer shall expire.
   D. The office of the Conference President and the Conference Vice President shall be limited to two full terms, but following a one year lapse, their eligibility for re-election shall be restored. No Conference officer, except for the Conference Minister, may serve more than twelve consecutive years in Conference offices without a lapse of at least one year between those offices.

2. The duly elected officers of the Conference shall hold their office until their successors are chosen and installed in their stead which shall be at the Annual Meeting at which they are elected.

3. If for any reason an officer chooses to resign, a letter of resignation shall be directed to the President, who in turn shall call it to the attention of the Board of Directors, which Board will have the power to accept such a resignation between the meetings of the Conference. CODE OF ETHICS FOR CHURCHES
The Christian Church is the Body of Christ and the Bride of Christ which He desires to be “a radiant church, without stain or wrinkle or any other blemish, but holy and blameless.” (Eph. 5:27) In as much as every local church is an expression of the whole Body it is needful for her to be committed to vigilance in all of her relationships:

In Relationship to Christ—
- Believing that Jesus Christ is the Head of the Church...
  - We will honor and exalt Him in all of our relationships and ministries. We will keep ourselves free from all policies and practices which might tend to mar the beauty of the Bride of Christ.

In Relationship to Fellow-Members—
- Believing that the local church is an expression of the family of God...
  - We will promote unity among the members of the congregation, resisting all jealousy, rivalry, self-seeking and division which would disturb that unity.
  - We will “... make every effort to do what leads to peace and to mutual edification.” (Romans 14:19)

In Relationship to Other Churches—
- Believing that the Church is a universal body...
  - We will attempt to maintain honorable relationships with other churches in the community.

In Relationship to the Community—
- Believing that the witness of the church in the community affects the ministry of that church to the community and reflects on Christ, the Head of the Church...
  - We will endeavor to keep our dealings with agencies, businesses and individuals in the community honest and above reproach.
In Relationship to the Conference—

- Believing that our membership in the Conservative Congregational Christian Conference is not only a privilege but also involves responsibility...
- We will fulfill our fellowship, ministry and financial obligations to the Conference to the best of our ability by participation in national and regional activities, by contribution to the Conference budget, and by other means as time and resources present.
- We will uphold the doctrines and principles of the Conference.

In Relationship to the Pastor and Other leaders of the Church—

- Believing that the pastor and other spiritual leaders are shepherds of Christ’s flock...
- We will love, honor and submit to them as they, by example and word, watch over our souls preaching the Word to correct, rebuke, encourage, and to carefully instruct (2 Tim 4:2).
- We will support the pastor financially so that they will be able to meet their obligations without bringing reproach upon themselves or the church.
- We will not allow anything among us that would undermine our spiritual leaders or rob them of the confidence of the church and the community.
- We will endeavor to respond to all criticism dealing with the pastor, other spiritual leaders, or their families in an honorable manner, not tolerating subversive or clandestine meetings.
- Whenever legitimate criticism or charges against anyone arise, we will follow Scriptural direction for church discipline, always with a desire for reconciliation and restoration and always making use of the cloak of love.

If there is no response or no interest indicated, the names of such members may be recommended for removal from Conference membership by the Credentials Committee at the Annual Meeting.
H. Ordained Ministers, Licensed Ministers, and Commissioned Christian Workers who for a period of two or more years (during one year for Licensed Ministers) fail to exercise the functions of the ministry for reasons other than disability or retirement and who pursue secular employment with no apparent effort to serve as a pastor or in some capacity as a minister (i.e. beyond those activities ordinarily done by laymen) shall be questioned by the Credentials Committee as to the propriety of their continued standing as a minister or a Commissioned Christian Worker. If such persons persist in the neglect of their ministry and refuse to resign from Conference standing unless there are extenuating circumstances, the Credentials Committee may recommend, to any Annual Meeting of the Conference, removal of their membership status or transferal to Individual Lay Membership within the Conference. Such Individual Lay Members shall be granted the full privilege of Conference membership in accord with the Constitution (Article V, Sections 1-4 and Article VII, Section 3).

B. An Associate Lay Membership may be granted to individuals who are members of non-congregationally governed churches which will carry with it all the privileges of Associate status (By-law VII, Section 1,f).

8. Unprocessed Applications

Churches, ministers, or individual lay members from non-member churches, whose applications for membership have been processed too late to be circulated to the entire Conference membership before the Annual Meeting, or whose applications are still in process, may be given the right to speak from the floor and/or the right to vote at the said Annual Meeting, by a majority vote of the assembled delegates.
V. Standards and Membership for Churches

1. Churches

A. Churches applying for membership to this Conference shall make application to the Credentials Committee, and be considered under guidelines approved by the Board of Directors. Standing as a Member Church requires that the church affirms agreement with the CCCC Statement of Faith and the CCCC Statement of Polity. The church shall also agree to conduct its ministry in agreement with the CCCC Code of Ethics for Churches. Additionally, standing as a member church shall require:

1) Acceptable Constitution and By-laws.
2) Record of a vote by the membership to join the CCCC.
3) Submission of the most recent Annual Report of the church.

B. Leadership representatives of the applicant church shall have attended at least one Annual Meeting.

C. Churches shall honor their witness to Christ, to one another, and to the Conference in both doctrine and demeanor, the Statement of Faith and Code of Ethics for Churches serving as an initial guide.

D. A Member Church shall maintain ongoing communication and activity with the Conference. A Member Church is entitled to appoint delegates to vote at all Annual Meetings and special meetings of the Conference, as per Article VII of the CCCC Constitution.

E. Membership shall be for as long as the Church continues its ministry. Churches who are inactive in the Conference for a period of two years, during which time they do not participate in the financial support of the Conference; answer Conference or regional correspondence or questionnaires; do not participate in Conference or regional meetings, or do not make any contact whatever with the Conference, shall be contacted if at all possible by the Credentials Committee to ascertain their interest in the Conference. If there is no response or interest indicated, the names of such member churches may be recommended for removal from Conference membership by the credentials committee at the Annual Meeting.

F. Concerns about the departure of a local church from the CCCC Statement of Faith, Statement of Polity, Code of Ethics for Churches, or dishonorable conduct and conflict shall be referred to the Credentials Committee, who shall deploy the resources of the Conference toward resolution of the concern. If concerns are validated, the Board of Directors shall be apprised, and the Credentials Committee shall recommend to the Conference a vote for removal at the Annual Meeting.
9. **Church in Development**

A. Churches that are newly planted with a CCCC member Pastor and in partnership with the Church Multiplication Committee may be received as a Church in Development for guidance and encouragement by the CCCC until the church is fully organized, meeting all the requirements for church membership in the CCCC Constitution and By-laws and the standards of the Credentials Committee.

B. Good and regular standing shall require that a Church in Development submits an annual written report to the Church Multiplication Committee.

C. A Church in Development shall be assigned one delegate.

D. Processes for Member Church standing shall be established by the Church Multiplication Committee and the Board of Directors and the Credentials Committee.

**VI. Ordination to the Christian Ministry**

1. Ordination to the ministry shall be by a local church, after examination by a council called by said church.

2. A candidate for ordination to the Christian ministry and subsequent ministerial membership in this Conference will be expected to have a life which is bearing the fruit of the Spirit, and which is marked by deep spirituality and the best of ethical practices. The candidate may be disqualified by any habits or practices in his life which do not glorify God in his body which belongs to God, or which might cause any brother in Christ to stumble.

3. Every candidate for ordination is encouraged to first apply for Ministerial License.

4. This Conference recommends that any local church which calls an unordained person to its pastorate who does not hold a Ministerial License from this Conference allow a trial period of one year before proceeding with his ordination.

**VII. Finance**

There is to be no per-capita assessment or apportionment levied by this Conference upon the member churches or ministers. The churches and ministers are expected to assume voluntarily a share in the financial support of the General Fund of the Conference. This does not preclude fees for services such as an application fee.

**VIII. Conference Records**

All records of Conference business in the hands of Conference officials are the property of the Conference, contents of which must be made available to authorized Conference officials upon request, and which must be delivered to the Conference upon termination of the service of officials.
IX. Seal

The seal of the Conference in use at the time of this Constitutional revision shall continue as the official seal of the Conference, and shall be used by having the same, or a facsimile thereof, impressed or affixed, or reproduced otherwise.

X. Fiscal Year

The fiscal year of the Conference shall be from January 1 to December 31.

XI. Amendments

These By-laws may be amended by the affirmative vote of two-thirds of the Conference members present and voting at an Annual Meeting or special meeting of the Conference, provided that in writing thirty days notice of the substance of proposed amendments to the By-laws be given to all members of the Conference. Conference documents cited as binding (serves a defining role) in these By-laws shall be eligible for amendment under the same terms as these By-laws. Position Papers and other statements of public stance of the Conference shall be presented to the Conference for ratification, amendment, or dissolution by standards established by the Board of Directors. Upon adoption of amendments, the orderly numbering, lettering, capitalization and spelling of the By-laws shall be cared for by the Constitution Study Committee.
