CORNERSTONE CORPS

I agree to contribute \$25.00 or more toward each **Cornerstone Corps** project with the understanding that I will not receive more than two requests per year. I further understand that this money will go in its entirety to the various projects, including promotion, and that it will only be used to help churches who are members of the Conservative Congregational Christian Conference or the World Evangelical Congregational Fellowship. It is also understood that I may withdraw from the **Cornerstone Corps** at any time by simply writing to the CCCC Home Office.

YOU CAN HELP !

The **Cornerstone Corps** is members of the CCCC working out our value of *shared life together*. As we each give in a small way, our efforts multiply to meet a practical need in one of our churches.

Your financial contribution (*a commitment of at least \$25*), combined with the gifts of other members of the **Cornerstone Corps**, will help and encourage a sister church in their Kingdom work or through a difficult time. By contributing financially, and remembering to pray as you give, you encourage and strengthen others in the body of Christ.

JOIN NOW!

To become a **Cornerstone Corps** member, simply fill out the form to the left and send it along with your gift of at least \$25.00 for the current project. This is a very tangible way we can share life together in Christ. *Your help is needed today and will be much appreciated.*

The Church Development Committee designates the Cornerstone projects. Churches in the World Evangelical Congregational Fellowship (WECF) may also be helped when there is not a request from a CCCC church. All monies contributed go entirely toward the designated projects. Cornerstone Corps members commit to contribute at least \$25. There is a limit of two Cornerstone Corps projects per calendar year.
