MINISTRY PRIORITIES

CHURCH DEVELOPMENT

We strengthen existing churches, helping them do effective ministry for God's Kingdom by living out the CCCC Way of Life— the Irreducible Core and our Seven Guiding Values.

CONFERENCE CARE

Our team encourages member pastors through the development of pastoral communities. Regional Pastors resource member pastors and churches and provide special care in times of transition and change. We provide restorative care to churches and pastors in periods of conflict and difficulty.

CHURCH MULTIPLICATION

The **Nineveh Network** is a team of CCCC pastors and leaders working to start healthy, disciple-making churches across the nation. Our planters are connected through this Network that recruits, assesses, trains and coaches church planters.

TURNING POINT

Our three ministry priorities have joined together to come alongside struggling churches to provide viable options for future ministry, assist with a church restart or develop a legacy plan.
